CERTIFICATION OF CPNI FILING
2/3/06

ATL Communications, dba Sunriver Telecom and East Cascade Telecom
complies with all requirements of 64.2009.

- (a) ATL does not use or provide CPPNI information in any way outside of billing and customer service
- (b) ATL has only one service representative and she is trained to understand that information on our customers is always proprietary. She understands that she will be fired if she ever misuses information.
- (c) ATL does no sales or marketing campaigns, so there is no need to maintain any record. 100% of our customers call us for service. We make no outgoing sales calls.
- (d) ATL does no outbound marketing.
- (e) I am the President of the company and our one service representative reports to me. I have personal knowledge of all uses of CPNI information
- (f) Since we make no outgoing sales calls we do not have any need for opt-out procedures.
